Reflection of the game

Make notes in the form of keywords to answer and discuss the following questions. Complete at least the questions of “Level 1”.

Level 1

- **Did you choose an option mainly because of the resources or strategic advantages it provided?**

- **Identify one decision you would make differently in a second playthrough. Explain why.**

- **Does winning the game necessarily mean making politically or ethically “right” decisions?**

- **What did the game help you understand about the selected value?**

- **Did any occurring problem or consequence surprise you?**

Level 2

- **Which of your decisions best reflected what you personally believe?**

- **Which aspects of real political decision-making are simplified or missing?**

- **Did the game change or challenge your understanding of the value?**

Level 3

- **Where do you see similar tensions or compromises in political or social life?**

- **Design an additional policy card for the scenario. What would it represent, which resources would it provide or require, and what consequences could it have?**
